MAKE A DIFFERENCE MAKE A MISSIONS FAITH PROMISE

The Missions *Faith Promise* concept gives everyone an opportunity to participate in world missions—helping the world to KNOW GOD.

Your Faith Promise is simply a way of stating the amount you will trust God to help you give to missions each month, above your tithe.

We encourage every family or individual who worships at Trinity Church to participate. Your commitment is confidential. No amount is too small. However, we encourage you to stretch your faith as you make your faith promise commitment.

If you are already giving a Faith Promise offering each month, we ask you to renew it annually and consider increasing it.

To make, renew, or increase your faith promise, fill out a Faith Promise card and place it in the offering or leave it at our Connect Center in the lobby.

You can give your missions offering at any time during the month—just designate it to “Missions Faith Promise.”

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, "How beautiful are the feet of those who bring good news!"

Romans 10:14-15
